

Call for papers: Data Envelopment Analysis Journal

Data Envelopment Analysis Journal

Special issue on

Measurement of Performance in Emerging Economies and Middle Income Countries

Guest editors:

Ali Emrouznejad, *Aston Business School, Birmingham, UK*

Subhash C. Ray, *University of Connecticut, Storrs, CT USA*

Nurhan Davutyan, *Kadir Has University, İstanbul, Turkey.*

LI Yongjun, *University of Science and Technology of China*

We invite high quality papers on Data Envelopment Analysis (DEA) for a special issue of the *DEA Journal* on measurement of performance in Emerging Economies and Middle Income Countries. The aim of this special issue is to publish state-of-the-art empirical research using the DEA methodology for evaluating performance in addressing problems including (but not limited to) productivity, physical infrastructure, management of natural resources, education, employment, health care, competition in different sectors, as well as regulation/reform.

Manuscript Preparation /submission:

Please refer to the Journal Information and Instructions for Author about manuscript preparation: <http://www.nowpublishers.com/Journal/AuthorInstructions/DEA>

Important Dates

Submission Deadline: March 31, 2018

Anticipated publication: April, 2019

Notes for Prospective Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere.

Reviewing

Submitted papers will be peer-reviewed in the same manner as any other submission to a leading international journal. The major acceptance criterion for a submission is the quality and originality of the contribution.
