Company Introduction

The mission of now publishers is to improve scholarly communication, speed the flow of information, and reward the scientist. The company uses modern techniques to minimize costs that enables us to significantly compensate authors and editors for their efforts, and pass on cost-savings to librarians.

Quality

The editorial board members, led by an eminent figure as editor-in-chief, are the top researchers and teachers in each field. Authors are selected on the basis of their recognized standing as experts in their subject. Strict peer-review further ensures that quality is maintained consistently high across the products.

Fairness

We believe once a customer makes a purchase that content is theirs to use as they wish. Remote access and course pack use are included as standard in a subscription.

Openness

now publishers permits authors to retain copyright. Authors license the exclusive distribution rights to us for commercial purposes. Academics can thus re-use material for research and teaching purposes whilst we distribute it throughout the world in the high-quality form that is desirable for all users.

Products and Purchasing Options

Foundations and Trends®

Foundations and Trends® is the name we have given a series of review journals that provide in-depth, comprehensive, state-of-the-art reviews on current and fundamental research topics. The disciplines covered are Business, Economics, Computer Science and Electronic Engineering. The uniqueness of Foundations and Trends® is that each issue is a long review (or short monograph) of 50-150 pages on a topic, written by a recognized expert in the field and thoroughly peer-reviewed to ensure the criteria for acceptance has been met. Libraries can also purchase these as print or ebooks.

Research Journals

We have a suite of research journals in the areas of business, economics and political science. All are published using the same liberal terms of licensing and copyright.

nowOpen

In 2020 we launched a new Open Access publishing initiative that is focused on books. This growing program will publish books using the same quality norms and ethics that we use for all our products.

All Journals

- Transparent pricing across all journals
- Available in electronic only, print only or combined subscriptions
- No price increases announced for 2021
- Various packages available, varying in size from 4 journals to all journals
- Package discounts range from 5% to 20%
- Upgrades possible at any time, with existing expenditure credited

Foundations and Trends®

- All issues available in print form as a book
- Available from booksellers or directly from now publishers
- All issues available as ebooks directly from us
- Technology titles available as a package on IEEE Xplore

Clear Consortia Pricing Available

- Higher discounts available on journal packages for consortia
- Minimum number of sites required is 2
- Discounts increase depending on number of sites, irrespective of size of site.
